BEER JUDGE CERTIFICATION PROGRAM STYLE DESCRIPTION

Overall: A light-bodied, highly-attenuated, gold-coloured, bottom-fermented bitter German beer showing excellent head retention and an elegant, floral hop aroma.

Aroma: Medium-low to low grainy-sweet-rich malt character (often with a light honey and slightly toasted cracker quality) and distinctive flowery, spicy, or herbal hops. Clean fermentation character.

Appearance: Straw to light gold, brilliant to very clear, with a creamy, long-lasting white head.

Flavour: Medium to high hop bitterness dominates the palate and lingers into the aftertaste. Low to high floral, spicy, or herbal hop character. Some versions have a soft finish with more of a malt flavour, but still with noticeable hop bitterness and flavour, and with the balance still towards hop bitterness. Dry to medium-dry, crisp, well-attenuated finish with a bitter aftertaste and light malt flavour.

Mouthfeel: Medium-light body. Medium to high carbonation.
