BEER JUDGE CERTIFICATION PROGRAM STYLE DESCRIPTION

Overall: A very dark, full-bodied, roasty, malty ale with a complementary oatmeal flavour. The sweetness, balance, and oatmeal impression can vary considerably.

Aroma: Mild roasted grain aromas, generally with a coffee-like character. Fruitness should be low to medium-high. A light grainy-nutty oatmeal aroma is optional.

Appearance: Medium brown to black in colour. Thick, creamy, persistent tan to brown-coloured head.

Flavour: Oats and dark roasted grains provide some flavour complexity; to oats can add a nutty, grainy, or earthy flavour. Dark grains can combine with malt sweetness to give the impression of milk chocolate or coffee with cream. Medium hop bitterness with the balance toward the malts. Medium-sweet to medium-dry finish. Hop flavour medium to none.

Mouthfeel: Medium-full to full body, with a smooth, silky, velvety, sometimes an almost oily slickness from the oatmeal. Creamy. Medium to medium-high carbonation.
